

# JOIN US FOR A WEBINAR ABOUT SCLERODERMA

Because scleroderma is so rare, it can be hard to find understandable or comprehensive information, and difficult to know what it all means. For example, did you know that most people with scleroderma will develop some fibrosis in their lungs?

## At this free webinar, you will:

- Learn about scleroderma
- Hear from a scleroderma patient
- Obtain educational resources and support

**Kheesa**, Living with scleroderma

**Click Here to Register**  
or Call 855-415-7492.
